25X1D

309904 to 984849- The road across Pehling Peninsula from the north central coast to the Huang-Chi area has been completed as verified by photography of [REDACTED] 25X1D

Comments on Pehling Peninsula Situation

There is evidence of considerable activity on the Pehling Peninsula.

Most of this activity is concentrated in the Huang-Chi area. This activity is in the form of construction of strong points, new artillery and AA

[REDACTED] and intricate patterns of defense positions. Advantage is taken of the rough terrain and many ridges and hill tops. Most of the increase in artillery and AA positions occurred during the [REDACTED] 25X1D
